

# Interim Advisory Board

SERVITALENT

## ***What is Interim Advisory Board?***

Pay-per-session (PpS) programs for strategic advice and accompaniment of SMEs, venture capital companies and start-ups, carried out by Advisory Board members.

## ***Why Interim Advisory Board?***

The high degree of uncertainty, instability and complexity of the environment, make strategic reformulation for many companies of vital importance before the implementation of any action plan through their management teams.

## ***Members***

All the members of the Interim Advisory Board have extensive experience in governing bodies, having served on boards of directors, and having extensive professional experience as advisors and top-level executives of numerous important companies, both nationally and internationally.

## ***Metodology***

Our advice and strategic accompaniment programmes follow an agile and rigorous process, which allows us to dimension the service according to the current situation of the company, its management, financial and operational capacities and the sector in which it is operating, so that it can have a team of advisors with total flexibility and availability according to its needs.

[ Activities 1- 4 are "pro bono" and 5- 8 are "Pay per session" (PpS) ]
